If you have not created an Apple ID yet, this article will assist you in doing so on your computer in iTunes or on an iOS device.

### Creating an account on a computer

- 1. Click iTunes Store (on the left side of the iTunes window), and pick your country by clicking the appropriate country flag located in the bottom-right corner of the main iTunes Store page.
- 2. Navigate to the App Store by clicking on App Store from the top navigation bar.

3. **Important**: Before proceeding to the next step, you must **download and install a free application**. To find a free application, navigate to the Top Charts column on the right side of the App Store window. Scroll down until you see the list of Free Apps. Select any application by clicking on it. Then, click Free App underneath the application icon.

4. In the pop-up window, click Create Apple ID.
