Enroll the iPad.
- Turn on the device.
- Choose English
- Choose US
- Network. Put in your Troy username and password to tsdusers (if you are not at a Troy building, choose your own network). Accept security.
- Enable location services
- Touch 'Next' (in the top-right corner) at the Troy School District will enroll your iPad step.
- Touch 'Get Started'

You should be prompted for your Apple ID.
- If you do not get prompted after a minute or two, please see the computer tech at the front for assistance.

Open the Airwatch App after it downloads, and put in your Troy username and password when prompted, and the appropriate Group ID.
- Elementary Teachers - tsdteachelem
- Secondary Teachers - tsdteachsec
- Other Teachers - tsdteachers
- All Other Staff - tsdstaff

Once accepted, press continue, accept push notifications, and agree to the terms and conditions.

Once complete, you should be able to go to the TSD catalog. Log in with your Troy username and password, and download Schoology as a test.

Open the App Store. Download free Apple apps by selecting featured at the bottom and scrolling down until you see "Apps made by Apple." Touch there and you'll see all the cool free apps you should download once you get home.

Add your Troy email address under Settings > Mail, Contacts, Calendars.
