To assist with the district reflection questions in Teachscape on May 14th we will have a staff meeting from 8:00-8:45 (please note time change). For this meeting please bring these work samples. The purpose of this meeting will be to help you with this process. If you have not put anything into Teachscape for the CoT goal yet, I would encourage you not to enter this information into Teachscape until after this meeting.

STAFFING...

If you are interested in moving to third grade for next year please send me an e-mail. As of right now we will have three second grade classes. I will be monitoring enrollment carefully. Our current first and third grade numbers could change our staffing situation.

SHOWCASE OF LEARNING...

Please see me to finalize visitors who will be attending the Showcase on Thursday, May 22 in the afternoon. This is a great opportunity to see and learn from other schools across the district.

SCHEDULE...

I will be out tomorrow and Friday.
Tomorrow I will continue to participate with several other administrators to interview for candidates for the principal openings for Hamilton and Barnard.

On Friday all elementary principals will be continuing round 2 of the job fair.
